

## FELT EARTHQUAKE AT SEA.

The ship Charles E. Moody arrived yesterday from Port Ludlow with lumber. Heavy southeast gales were experienced for twelve days, and on March 12th, in latitude 43 deg. 32 min. north, longitude 28 deg. 10 min. west, an earthquake continuing for two minutes and vibrating from south to north was distinctly felt. The barometer during the storm registered 28.70.
